---

## **Are you living with dementia in Chorley or West Lancashire? Our Dementia Community Links service could help you retain your independence and enjoyment of life.**

Age UK Lancashire's service is available for anyone living in the Chorley or West Lancashire areas who has early to moderate stage dementia. Our trained support workers and volunteers spend quality time with individuals, offering:

- Practical assistance to those living in their own home to enable continued enjoyment of hobbies and interests
- Encouragement and support to maintain independence
- Emotional support and companionship
- Help to retain and build new links with the local community
- Information and advice to both the individual and their carer(s)

### **Who can you use this service?**

The service is available to people with diagnosed or suspected early to moderate stage dementia, living in the Chorley or West Lancashire area.

### **How much does it cost?**

Its a free service which does not affect your entitlement to statutory benefits.
