<p>LSCB Survey</p>	<p><i>The LSCB would like to invite colleagues from all agencies to complete their survey to enable a better understanding of the views of practitioners, colleagues and managers across all partner agencies.</i></p> <p>The LSCB has a key role in overseeing the effectiveness of safeguarding arrangements for all agencies in Lancashire. It is therefore important to hear directly from practitioners to better understand what is working well and where improvements may need to be made on both a multi-agency and single agency level.</p> <p>The survey should take no longer than 10 minutes to complete and can be accessed to the right. It is hoped that some agency specific results can also be provided, although this is dependent on the number of responses received. <i>Please share this survey widely across your networks.</i></p>	<p>Complete the survey now:</p> <p>LSCB Survey</p>
<p>National CSE Awareness Day</p>	<p><i>The NWG Network has organised a national Child Sexual Exploitation Awareness Day, taking place Wednesday 18 March.</i></p> <p>The day aims to highlight the issues surrounding CSE, encouraging everyone to think, spot and speak out against abuse and adopt a zero tolerance to adults developing inappropriate relationships with children.</p> <p>Further information is available via the link to the right, please share this with your networks and promote the messages as widely as possible.</p>	<p>Find out more at the following link:</p> <p>CSE Awareness Day</p>
<p>Lancashire Music Hub – Youth Consultation</p>	<p><i>The Lancashire Music Hub has launched a youth consultation to find out about young people and their music.</i></p> <p>The survey will collect information about what young people already do, and what they would like to do in relation to music. The findings will help to tailor the next phase of music making in Lancashire.</p> <p>Two surveys are available – one for under 12s and one for over 12s – and can be completed on phones; iPads; and computers.</p> <p>The links can be found to the right – please share them with you networks and support the young people you work with to complete the questionnaire.</p>	<p>Access the surveys now:</p> <p>Under 12s</p> <p>Over 12s</p>
